

CAFÉ OWNERS ALLIANCE APPLICATION FORM

A CAFÉ ASIA initiative

The most focused event for the Café industry and community

Hosted By
SINGAPORE COFFEE ASSOCIATION

Café Owners Alliance, is an initiative by the Singapore Coffee Association and the Café Asia series to bring together cafes in Singapore to become a stronger voice and to establish a stronger presence in the local F & B scene.

Apart from linking cafe owners up with valuable resources such as suppliers and vendors, cafe owners will also receive updates on related events, workshops and/or seminars by Singapore Coffee Association. Also, the Alliance is an additional value-add platform for cafe owners to publicize their cafés through Café Asia's publicity platforms (such as electronic mailers, newsletters and FaceBook page).

As a member of CAFÉ OWNERS ALLIANCE (COA-SG), enjoy the following at CAFÉ ASIA:

- Extensive publicity for the café before, during and after Café Asia (through electronic direct mailers, on-site publicity, Facebook page and other relevant publicity platforms) to more than 10,000 people locally and internationally
- Business-matching opportunities linking café owners to desired vendors and suppliers
- Priority entry to Café Asia
- Exclusive use of the business lounge at Café Asia to conduct business discussions
- Special invitation to the Café Asia Networking Reception, the ideal venue for café owners to mingle with fellow industry stakeholders

✓ Yes, I would like to join CAFÉ OWNERS ALLIANCE SG!
